

Meet Tommy the Tap! He loves clean hands and will help you find hand washing facilities on this map and around the Farm!

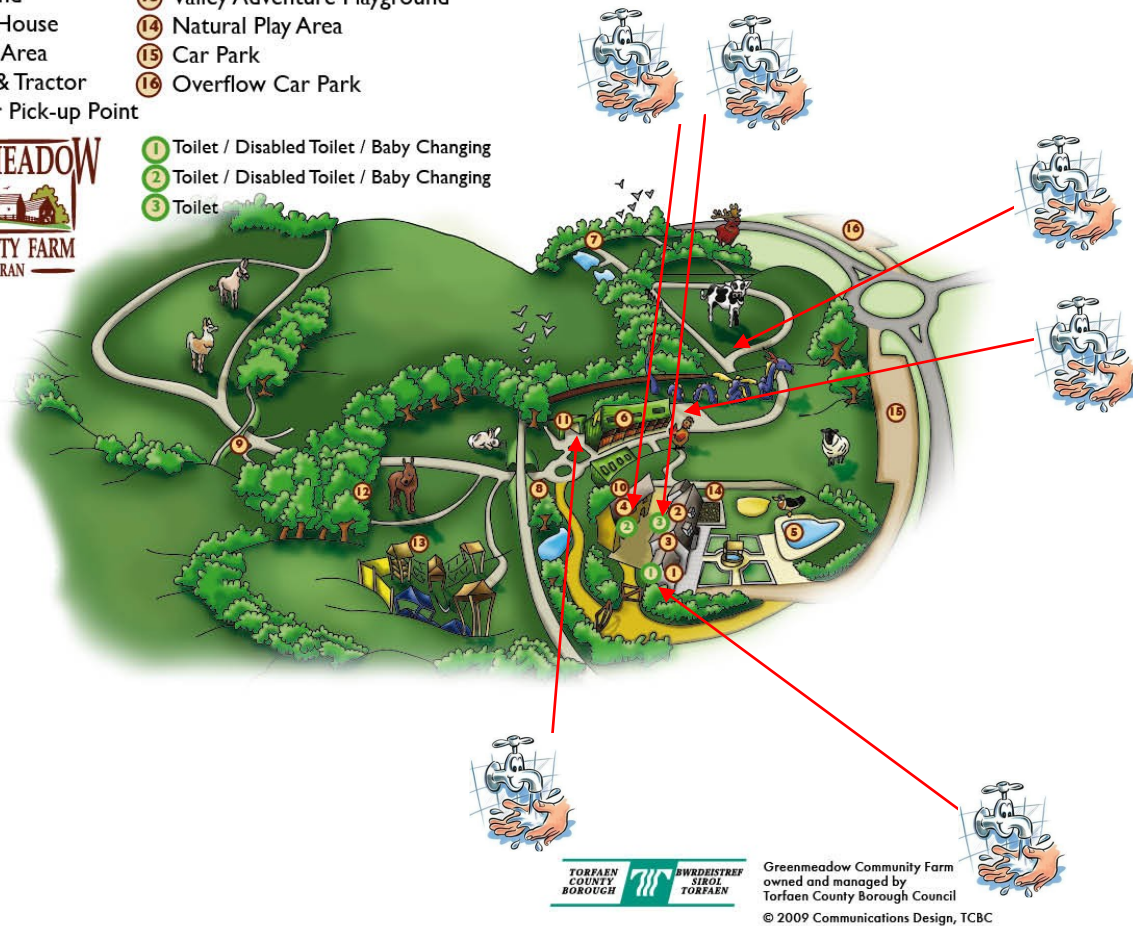

Welcome to the Farm, we hope you have a wonderful time! Please remember the importance of regular hand washing throughout your visit, especially after touching and feeding our lovely animals and before eating, drinking and smoking. Please only eat, drink and smoke in designated areas. If you have difficulty locating designated areas, please just ask a member of staff or one of our volunteers who will be happy to assist

PLEASE NOTE BABY CHANGING FACILITIES ARE LOCATED IN THE SHOP AND ALSO THE DISABLED TOILET IN THE HAYBARN
