Dear friend,

I write to ask you to prayerfully consider a special gift or donation however large or small to help fund the re-roofing of St Mary's Church, which is in dire need of urgent attention. It has become apparent that after our recent church quinquennial inspection that the 100 year old slate roof on our church building must be replaced to avoid structural damage to both the roof and the interior of our beautiful church.

The projected cost of the project is deemed to be £50,000. We hope to involve everyone in our community. We will try to encourage them to buy a slate to celebrate a birth, wedding anniversary or special birthday.
